Looking into this. Will follow up. I am confirming if INGLEWOOD at all coordinated with LAWA or LADOT.

Omar,

The street work that Inglewood is doing has caused a backup serious in the east bound lanes of Century Blvd. from La Cienega to Airport Blvd.

Psomas is the contractor. The City of Inglewood is closed until after New Year's.

Can anything be done to push the work until after the holidays?

Was there any coordination between Inglewood and the City of L.A. Why wouldn't L.A. request that the work not take place during the holidays?
